MESASA '74

Presentation

The 1974 Mesasa Staff wishes to depart from the traditional dedication format in order to recognize our administration, faculty, and students in this thirty-fifth anniversary year of Ottawa Hills High School.

The second edition of the Mesasa in 1942 states that school is "where students prepare themselves not only for a higher education, but also for the solving of life's essential problems." All respect is due to an educational institution which dedicates itself to this very contemporary goal of developing social consciousness in its students. The same Mesasa reminds us that "a school is neither the building nor equipment, but the characters of its students, day in — day out." We hope you enjoy the following pictorial review of Ottawa Hills High School, past and present.

Roemer, Mike Leroy, Mark Vennel, John Schalles, Craig Lemieux, Don Kirkham, John Moreland, Mark Burnheimer, Jack Loy, Phil Cleminson. Head coach, Russ Smith; Assistant Coaches, Ron Partin and Karl Worstell.

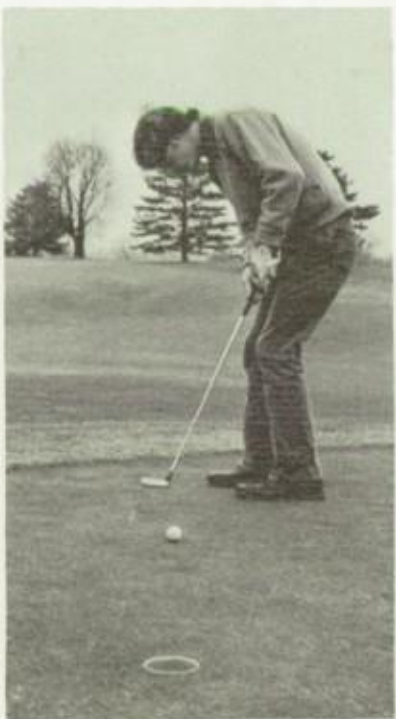

In 1973, Ottawa Hills fielded a Track Team which sent competitors to the state meet; '73 senior Mike Tanner threw the discus and Bob Kelley placed third in high hurdles. Throughout the season, school records were broken in the pole vault, discus, and high hurdles events. The team won the Lakeshore Conference Championship and placed third in the sectional meet. They ended the season with an 8 and 2 record in dual meets.

The 1973 fall golf team had a very successful season, losing only once in regular play and placing first in the Michigan-Ohio Border Conference tournament. Five golfers were named to the all-league teams.

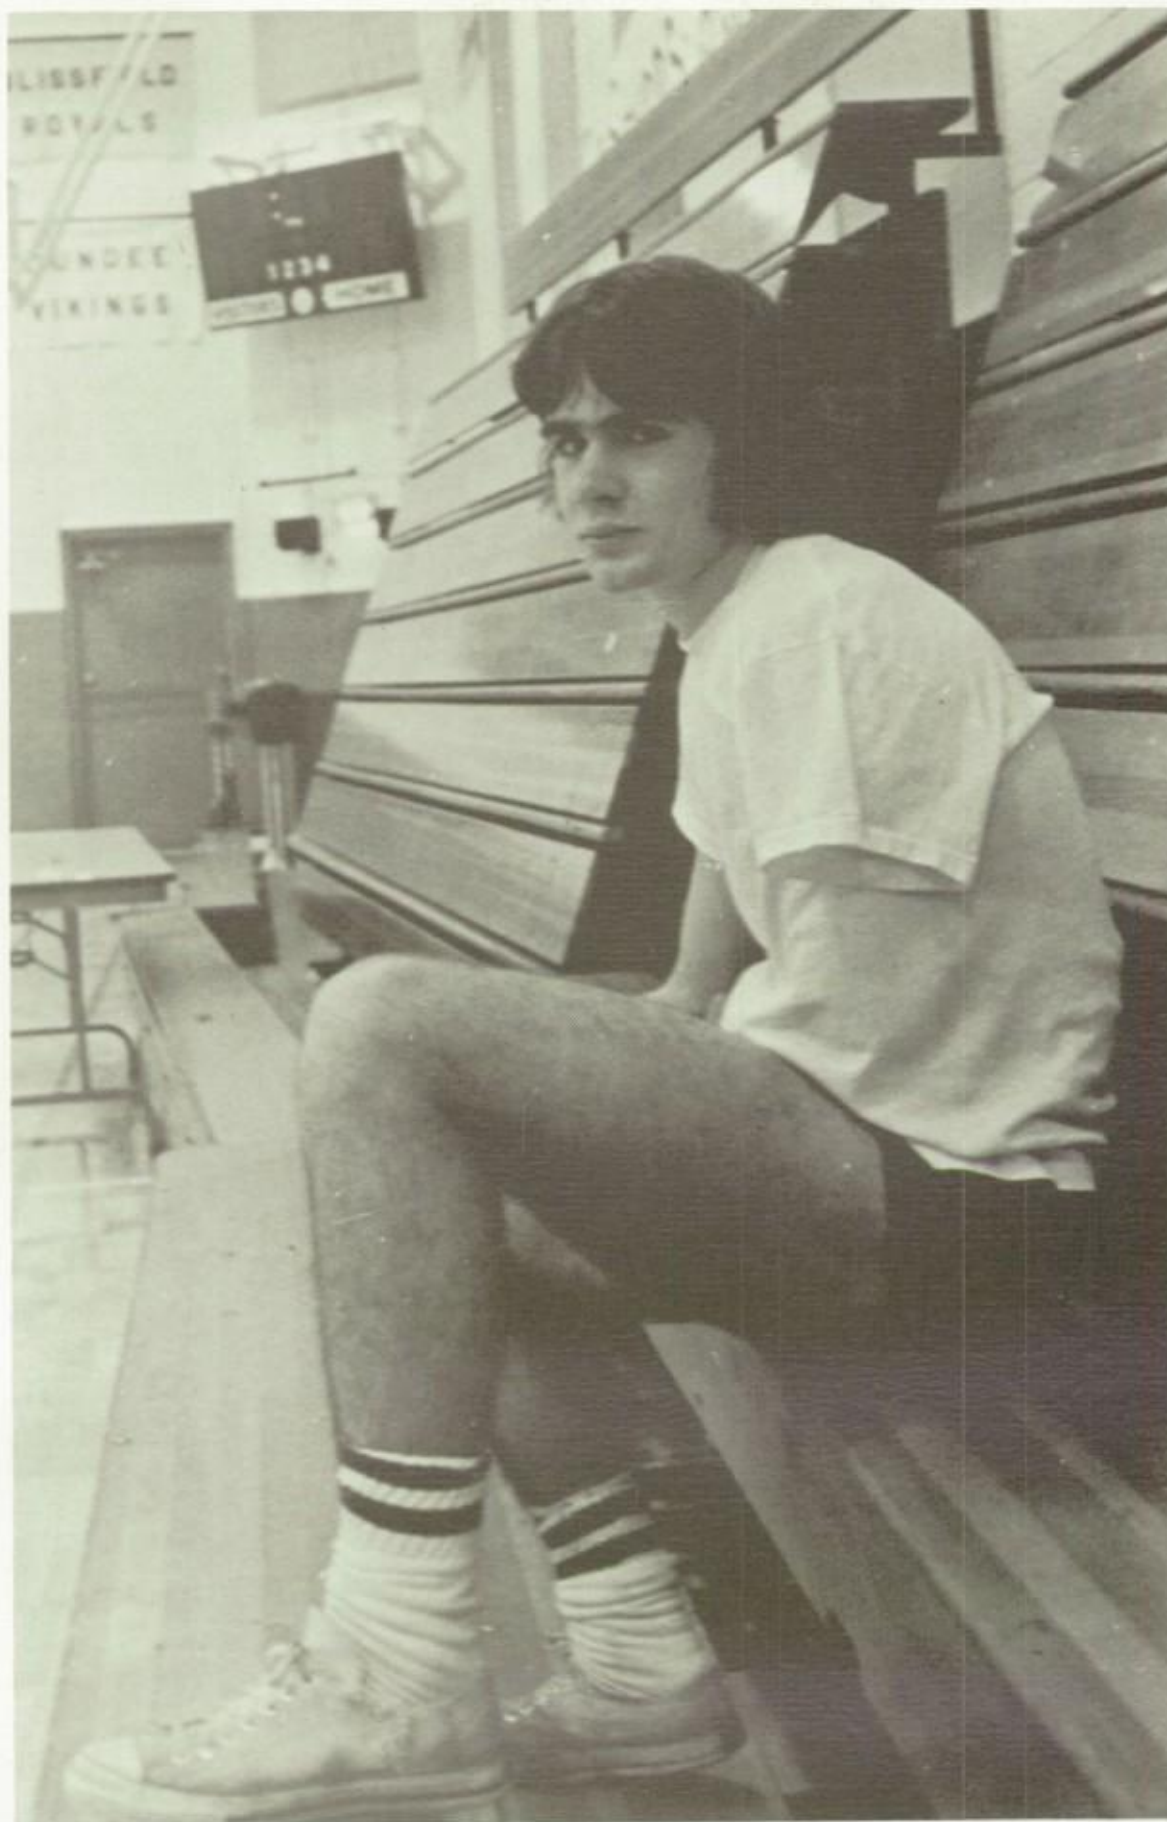

Baseball

Standing (left to right): Mike Kelley, Pete Morrison, Mike Yaffe, Frank Kreutz, Steve Nickerson, Tim Robertson, Coach Ernie Berg. Kneeling (left to right): Cary Armstrong, Chris Cassidy, Charlie Harrison, Ray Navarre, Gerry Lemieux, Brett Armstrong.

Last spring, the O.H. baseball team became the Sectional, District, and Regional champs and traveled to Columbus for the state tournament. The Bears' record was 17-6, and they won the Lakeshore Conference title with a perfect 8-0 record. Out of the nine players chosen for first team all-league honors, six were O.H. players.

Competition — the excitement of putting yourself against an opponent as good or even better than you — is the lifeblood of sport, not victory alone. Victory is better than defeat, no question about that. It is much more fun to win than to lose. But when you have done your best, when you have gone to the last second, the last out, the last inch before losing, when you have been a vital part of a tremendously stimulating game, is the failure to win really such a terrible disgrace?

The world's pole vault record has leaped 2' 10" since fiber glass came along

In 1942, the vaulting record was 15' 7-3/4". Then fiber glass came along and today the record is 18' 5-3/4". In fact, Fiberglass/plastic is used in hundreds of sports products from surfboards to racing car bodies.

When you think of the new basic material, think fiber glass. And when you think of a great career opportunity, think Owens-Corning.
